

SUPPORT

Make a list of at least 3 people that have made a positive difference in your life. Next to each one write-

-What they did

-What it was like before you worked with them and after

-What was it about them that you most liked and appreciated

-What was the impact they had on you

-How it changed your life, what happened

-What would it be like if they were still in your life. How would that make a difference in your reinvention?
